Alabama State Board of Social Work Examiners 334/242-5860 or 1-888-879-3672

View from the Chair

By: Jerry L. Satterwhite, LCSW, ACSW

How many times have you said, "The older I get the faster time passes"? Well it is true. It seems like I just returned to the Board and now I will be rotating off this fall. Actually, since I am a proponent of term limits that is not a bad thing. There will be two vacancies this fall (a notice is in this newsletter) and I would encourage any of you who reside in the two districts to consider putting your name in the hat.

The Board would like to publically thank Senator Larry Dixon and Representative Ronald Johnson for sponsoring House Bill HB717 which was signed by the Governor on May 20, 2009. This bill will allow a licensed social worker to choose to enter an "inactive status" if they are no longer practicing in Alabama. There will be a reduced fee charged to maintain the license as inactive, but there will not be a requirement to acquire continuing education hours. If, at a later date the license is reactivated there will be a requirement to complete CE hours. A special meeting of the Board was held in Birmingham on June 24th to determine language for the Administrative Code and recommend fees and number of hours of continuing education for those reactivating their license.

Another part of the bill gives the social work board authority to deny exam applications for up to five years for unethical violations such as conviction of a felony, addiction to habit-forming drugs, conviction of fraud or being found guilty of unprofessional conduct. Again all this will be discussed at a public hearing.

In recent years the Alabama State Board of Social Work Examiners has become more active with the Association of Social Work Boards which is comprised of State and Provincial Boards throughout the United States and Canada. Several Board members have served on committees and/or held office in the Association.

In closing I would like to express my appreciation to the licensed social workers in Congressional District 7 for allowing me to represent them on the Board. It has been one of the most meaningful experiences of my professional life. ▲

Teresa L. Young, LCSW

Congratulations Goes to Teresa

You might have noticed that we now have 5 LCSWs on the Board. Teresa Young was appointed to the position while she was a LGSW but since that time has completed the required supervision to qualify towards the LCSW and registered to take the exam. We would like to send our congratulations out to Teresa for enduring the Clinical Exam with ASWB while serving on the Board of Social Work Examiners as Vice-Chair, working on the Accredited Continuing Education (ACE) Committee, being selected to be an Item Writer for the Licensure Exam with ASWB and working full-time with the Children's Aid Center in Decatur Alabama. Teresa has continued to serve in all her capacities providing unflagging attention and dedication. ▲

ASWB offers help to social work educators **New group practice test program is designed for classroom use**

by: Bobbie Hartman
ASWB Publications and Marketing Coordinator

As part of the Association of Social Work Boards' ongoing efforts to provide social work educational programs with accurate information on the licensure exam program, ASWB has launched a new service that will supply schools of social work with access to fullscale practice tests created from items that were once part of the pool of live test questions. The service is essentially a no-frills version of the online practice exam program available to individual candidates who have registered for an ASWB examination.

Designed for use in a classroom setting, the group review practice exam allows instructors to display sample exam questions, answers and rationales. ASWB is making the practice exam available exclusively to academic programs accredited by the Council on Social Work Education (CSWE) or the Canadian Association for Social Work Education (CASWE). Accredited programs can purchase access to the Clinical, Masters and Bachelors practice exams for group review.

Instructors can navigate easily among 170 questions, giving their students a chance to discuss the item before revealing the answer and rationale. A single password allows multiple users in a department to use the group practice exam, even simultaneously. Participating programs also receive three publications about ASWB's examination program: the Candidate Handbook, an orientation to the practice exam, and a user's guide for the group review exam.

The program was designed in consultation with social work faculty members who have conducted review courses in the past. These faculty members were interested in having access to a program that provided maximum flexibility, and was easy to navigate. The final version of the so-called "Group Practice Exam" allows instructors to review an entire test or just a few questions. While the service does not provide scores, all items are accompanied by rationales for the correct answer.

The group program differs from the online practice examination program in both delivery and content: registered candidates who purchase the online practice exam receive a full-scale test delivered in a format identical to the actual testing format used at ACT testing centers, and are given the same four-hour timeframe to take the test (customers can come and go as much as they like, with the timer clock starting up each time they log on, and stopping when they leave the test). When the practice test is completed, customers receive a scaled score. While actual test-taking time is limited to four hours, access to the rationales and performance data is granted for 30 days. New versions of the online practice exams are scheduled to be released during 2009.

The group practice exam program is not designed to teach students how to pass the ASWB examinations. As stated in the accompanying User Guide, "The practice examination should be used primarily as a springboard for more in-depth study and discussion, and as a learning tool to help students understand the structural framework and semantics of ASWB social work examination items. This test can serve as an aid to refresh students on taking a multiple choice test. This test cannot substitute for the more thorough and thoughtful work that must be done in preparing to take a licensure examination."

Access to the group review practice exam is good for six months, and can be purchased by contacting Bobbie Hartman at ASWB (bhartman@aswb.org, 800-225-6880, ext. 3008). ▲

Well, here we are again, asking you for nominations to select your Board Members. Districts 1 and 6 have openings for appointment. Currently District 1 is filled by Sharon Argiro of Mobile. Sharon is serving her first term on the Board. District 6 is filled by Jerry Satterwhite of Indian Springs. Jerry is serving his second term and is not eligible to return. Both positions are occupied with LCSW's but since Teresa Young of District 5 took and passed her LCSW we now have an opening for one LCSW and one LGSW.

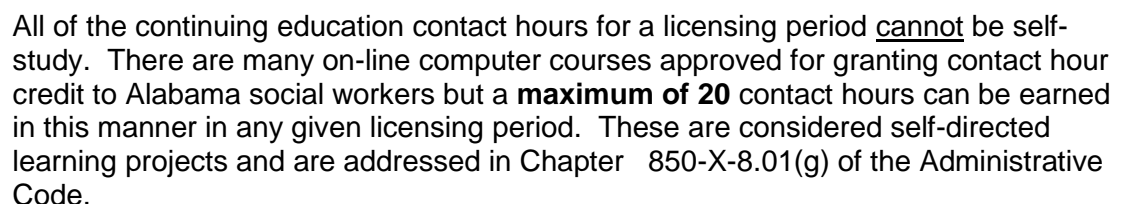

Pretty simple and straight forward: The person making the nomination must be a licensed social worker and live in the same district as the person they're nominating. The person being nominated must live in the District where there's an opening and they must be a licensed social worker. So if you don't live in District 1 or 6 you cannot vote or run for a position at this time.

So with that being said who's out there interested in serving on the Board? You're promised nothing and get long hours of board meetings and file reviews. Sound interesting? It's not really that bad. The Alabama State Board of Social Work Examiners is a regulatory organization comprised of licensed social work practitioners whose mission is:

- * To protect the public from incompetent, unethical and unlawful social work practice.
- * To enforce qualification standards for all levels of licensure and certification.
- * To delineate unlawful conduct through disciplinary procedures against practitioners who violate applicable laws or rules.

The Board meets every other month for about 4-6 hours. This was reduced about a year ago from every month. You're reimbursed travel expense at the same rate that current state employees. Currently that's 55 cents per mile for travel and \$75 for overnight stay. Periodically this rate is changed to keep up with the Federal Government Rate.

The appointments are for three years each. A person is limited to two consecutive terms. The dates for these terms are October 1, 2009 to September 30, 2012. We are accepting letters now through August 28, 2009. These letters must be mailed or hand delivered. No faxes or emails will be accepted or counted.▲
